Hello Store Manager,

I am a loyal shopper at your store and would love to begin purchasing my favorite Denali Moose Tracks® flavors here!

Denali Moose Tracks licenses the use of these flavors to manufacturing/retail partners who in turn package them under their brands at their discretion. Denali works with ice cream brands across the country to manufacture an array of regional and store-branded products. Moose Tracks® may be available in your store brand or in a regional brand currently offered at your store!

I've checked the flavors below that I'd love to buy at your store.
